sermon NOTES {for teens}

Note: The sermon notes on page 9 are *very open-ended*. I recommend you work with your teen(s) to brainstorm the full questions they could answer for each question word if you think it will be a challenge for them.

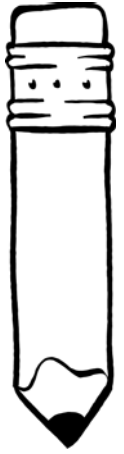

For example, the questions for “Who?” could include:

- Who is preaching?
- Who is the passage to?
- Who wrote the passage?

The questions for “How?” could include:

- How do I apply this passage?
- How do I know this is true?
