

Handwriting grid games

These uppercase and lowercase grid games are a sample from my [Bible Handwriting Pages Pack](#).

The pages in this pack can be used to teach the truths found in God's Word as well as **print** letter formation for uppercase and lowercase letters. SIX levels of handwriting practice are included for both right- and left-handed learners so this pack can grow with your writers!

To Play: Learners roll a die. If it lands on 3, for example, learners trace 3 letters - a, b, and c. Learners roll again. If it lands on 2, learners trace two more letters - d and e. Learners keep rolling and tracing until all 26 letters have been traced.

Please encourage others who would like a copy of these grid games to hop over to my blog and download the games for themselves. The link is:
