

Easter Scripture Copywork

This is the time of year when we celebrate Jesus Christ, the one and only Son of God who, though He had never sinned, took on our sin, died in our place, AND defeated death and the grave by being raised to life! Hallelujah!

Use these FREE pages to remind your kiddos of this miraculous story and get them practicing their handwriting via God's Word! Only six verses or passages are featured in this pack, but I would highly recommend to read through several passages (found in the last part of each of the Gospels) about Christ's death and resurrection with your kids.

Encourage your learners to use their best handwriting with these pages. They can write in print, slant, or even cursive handwriting, depending on the age and development of the kids you have or teach.

Color printables start on [page 2](#) of this file while grayscale printables start on [page 10](#) of this file.

Please encourage others to grab a copy of this pack by visiting my blog:
